

Notice from Kingspan, via Insulation Online Limited.

Kingspan have notified me that they are updating some product details on some of their products. While they do this, we have been asked to remove certain datasheets and brochures.

Affected documents:

Kingspan Kooltherm Range Guide

Kingspan Therma Range Guide

Kingspan Product Selectors

Kingspan Thermawall TW50 datasheet

Kingspan Thermafloor TF70 datasheet

As soon as the new updated documents are available, they will be uploaded to our site for your perusal.

Apologies for any inconvenience this may cause; if you have any questions or require product information, please contact me via phone or by our [contact form on the website](#) and I will do my best to help.
